START YOUR HOME SHOPPING HERE

It's that time of year when many people throughout Indiana are thinking about buying new homes. Whether you're a first-time buyer or you're getting ready to switch from your current home to one that better fits your needs, the smart way to start your home-buying journey is to talk with one of Indiana Members Credit Union's mortgage experts.

Why start your search by talking about a loan? It's the easiest way to know exactly how much home you can afford. When you ask us for a mortgage pre-approval, we'll collect and review your financials and let you know how large a mortgage you qualify for, and explain what that means in terms of home prices. That way, you'll know exactly how much home you can afford --and when you're ready to buy, you know you'll be able to obtain financing.

Indiana Members Credit Union is your one-stop shop for everything related to finding and financing your new home. In addition to pre-approvals, we can sit down with you to discuss the variety of home loan programs that are available, so you can decide whether you'll choose a fixed- or adjustable-rate loan, or whether programs such as FHA loans are right for you. Have a special need, such as for a jumbo mortgage or a loan for a manufactured home? We can help there, too!
