## JOHN NEWETT TO SUCCEED RON COLLIER AS CEO

The Board of Directors of Indiana Members Credit Union (IMCU), central Indiana's largest credit union, is pleased to announce the appointment of John Newett as Chief Executive Officer, effective January 1, 2023.

Newett will succeed Ron Collier who will retire at the end of December after 37 years with IMCU. Newett, current Senior Vice President of Operations at Indiana Members Credit Union, will now serve as the President of the credit union while Collier continues his service as CEO, until his retirement on December 31, 2022.

Newett joined IMCU in 2011 as Director of Planning and Administration and was promoted to Senior Vice President of Operations in 2016. Prior to joining IMCU, he served as the President and Chief Executive Officer at Harvester Financial Credit Union from 2000 to 2011 and as a Principal Examiner for the National Credit Union Administration from 1995 to 2000. Newett has over 26 years of experience in the financial services industry.

John Newett

*"I am extremely honored to have the opportunity to lead the IMCU team in this new role, and appreciate the confidence that our board has placed in me and our existing team. I am very proud of our accomplishments thus far and would like to thank Ron for his leadership over the last four decades. I look forward to leading IMCU's efforts as we continue to strive to be the best financial institution for our members, and a top workplace and partner in the communities we serve."*
