## READY TO LOWER YOUR CAR PAYMENT?

Could you use a little extra cash every month? Is your car payment taking a bigger chunk of your paycheck than you expected? Indiana Members Credit Union may have a simple solution for you.

In addition to financing car and truck purchases, the IMCU Auto Loan Center also refinances existing vehicle loans. Whether you have a bank loan or dealer financing, we can replace it with financing that has a lower payment. Or, if you prefer, you can get new financing with no payments for the first 90 days.

Depending upon what you'd like to accomplish, refinancing can lower the rate you're paying, reduce your monthly payment, or even shorten the term of your loan. Best of all, the IMCU Auto Loan Center can refinance car and truck loans, as well as provide financing for motorcycles, travel trailers, and motor homes.
